What are some pros and cons of consuming powdered milk? "A new born baby has only three demands: warmth in the arms of his mother, food from her breasts and security in the knowledge of her presence. Breastfeeding satisfies all three" – Anonymous. After going through labor and delivery, the next step for new mothers is adjusting to breast ...

What are some pros and cons of consuming powdered milk?

An 8-step lesson plan is not complete without the final step of Assessment. This is where you assess the final outcome of the lesson and to what extent the learning objectives were achieved. This is also your chance to adjust the overall lesson plan to overcome any unexpected challenges that may have arisen, preparing you for the next time you teach this lesson.

Lesson Plan Step #8 Assessment and Follow-Up

INSTANT FAMILY is consistently engaging, funny and touching as both entertainment and a call for others to open their hearts and adopt more children from the foster system. The movie has a depth in casting that goes well beyond most such films. INSTANT FAMILY has a strong Christian, moral worldview with positive references to prayer.

Add 2 tablespoons of freshly shredded ginger to a glass of water. Use a saucer to bring the water to a boil and let it steep for at least 15 minutes. Allow the water to cool down a bit and add honey to sweeten it. Drink this at least twice or thrice a day to get relief from a dry cough and to promote healing.
