## VoiceStation 500 User Guide

I ' m using Polycom VoiceStation 300 with brasilian PBX called "intelbr á s Impacta" model "220" and I changed flashtime from 600ms to 300ms, using your instructions, and fixed my problem. The only issue was I needed to use France country code (14022) instead Brasil country code (00020) to fix Flash problem. Thanks!  
Sandro

I purchased a VoiceStation 300 so we can make conference calls.

The phone provider we have gives the participants a number and code to call in. My question is how do link all of the callers together using the system. The system came with no manual and the downloaded manual was no help.
