Some species believe they can avoid war and endure the oppression of the Confederation while others choose to resist. The Athena and her crew struggle to keep the Star Alliance from splintering apart by offering them something unthinkable. Ascension, is the final book in the Ascension series, an action-packed space opera saga that spans worlds. A journey that began when the brave crew of the Athena left Earth to investigate an alien structure discovered in the furthest reaches of the solar ...

Ascension Series – Ken Lozito

The second book in the series picks up where Book 1 left off. As one expects from this author, the editing is tight, there are no glaring typos or formatting issues. We are introduced to the aliens and that took a while to digest. If you are looking for Fleet or ground pounding action this is not your cup of tea.
