...~~

The Eyes of the Dragon was recommended to me as a fantasy story. It really isn't. Yes, there's a touch of magic, and a dragon does appear in the book, but it is far more about the story of a prince who stands falsely accused of murdering his father, and what he and

his friends do to right that wrong. The book is told from the point of view of a fictional story-teller, allowing King to jump ...

~~The Eyes of the Dragon:
Amazon.co.uk: King, Stephen
...~~

The Eyes of the Dragon is billed as both King's only high fantasy and his only novel that could be classified as a children's book. I wasn't sure how successful he'd be with either of those things, but now I really wish he would write more of both.

The Eyes of the Dragon

Quotes Showing 1-30 of 42

“He knew as well as we in our own world do that the road to hell is paved with good intentions--but he also knew that, for human beings, good intentions are sometimes all there are.

Angels may be safe from damnation, but human beings are less fortunate things, and for them hell is always close.”
