It's what I call "time chunking", and everybody does it to some degree. I used to chunk my time on a daily basis, setting aside certain chunks of the day for projects or tasks,

Download File PDF The Time Chunking Method A

depending the time I had at my disposal. For example, on Fridays (when we have had no child care), I don't do much "heavy lifting" at all.

Download File PDF The Time Chunking Method A

When given a division problem that cannot be solved using short division, you can use the chunking method to find the quotient. This method is also called the "partial quotients method" because you are

Download File PDF The
Time Chunking Method A
essentially finding the
total quotient one part at a
time. All parts will
eventually be added together
so that you can find the
final, total quotient.

How to Do the Chunking
