Total Facilities Management Framework This National Public Sector Framework for Total Facilities Management (TFM) covers an extensive range of services to help your organisation to streamline its operations by providing a one stop shop and single point of contact for all your service needs.

~~Total Facilities Management Framework~~

By choosing a Total Facilities Management solution and provider you are placing all responsibility and the risks associated with service provision within the hands of one company and one contact. This all sounds simple and foolproof, but the reality is dependent on how those individual services are managed.
